# 1. Installation Process

**To install the extension, you need to follow below steps**

- Backup your web directory and store database
- Enable all cache from admin (System > Tools > Cache Management) before upload extension.
- Extract extension zip package and copy folder (app).
- Upload (app) folder to your store root folder by FTP.
- After uploading (app) folder navigate to your store root folder in the SSH console of your server:
  - cd path\_to\_the\_store\_root\_folder (cd public\_html)
  - Run the following command:
    - php bin/magento setup:upgrade
    - php bin/magento setup:static-content:deploy
- Flush the store cache; Logout to complete installation process and login.

## 2. General Configuration

### 2.1 General Settings

The screenshot shows the 'Configuration' interface. At the top, there is a search icon, a notification bell with a red '3', and a user profile 'admin'. Below this is a 'Scope' dropdown set to 'Default Config' with a help icon. A 'Save Config' button is on the right. The main content area is titled 'General Settings' and features a sidebar for 'PIXLOGIX EXTENSIONS' with options: 'OrderSMS Notification Configuration', 'Phone Number Verification', and 'Product Attachments'. The 'Product Attachments' option is selected. To the right of this sidebar, there is a label 'Enable [store view]' and a dropdown menu with 'Yes' selected, and 'No' as an alternative option.

- **Enable:** To enable or disable Product Attachments extension.

## 2.2 Product Page Settings

The screenshot shows a web interface for configuration. At the top left is the title 'Configuration'. To the right are icons for search, notifications (2), and a user profile labeled 'admin'. Below the title is a 'Scope: Default Config' dropdown with a help icon, and a 'Save Config' button. A sidebar on the left lists categories: PIXLOGIX EXTENSIONS (expanded), OrderSMS Notification Configuration, Phone Number Verification, Product Attachments (highlighted), PIXLOGIX FLEXIBLEFORMS, GENERAL, CATALOG, SECURITY, CUSTOMERS, SALES, YOTPO, ENGAGEMENT CLOUD, SERVICES, and ADVANCED. The main content area shows 'General Settings' and 'Product Page Settings' sections, each with a collapse icon. Under 'Product Page Settings', there are four expandable items: Product Attachment Tab, Product Details Section, After Product Info Section, and Attachment View Settings.

- **Product Attachment Tab:** This section controls Product Attachments tab section on frontend product detail page.
- **Product Details Section:** This section controls Product Attachments section on frontend product details section underneath of product short description.
- **After Product Info Section:** This section controls Product Attachments section on frontend underneath of product tab section.
- **Attachment View Settings:** This section controls Product Attachments frontend view settings (i.e. Icon, Size, Description, Download Count, Listing View, etc...).

## 2.2.1 Product Attachment Tab

The screenshot shows the 'Configuration' interface. At the top, there is a search icon, a notification bell with '2', and a user profile 'admin'. Below this is a 'Scope' dropdown set to 'Default Config' and a 'Save Config' button. A left sidebar lists various configuration categories, with 'Product Attachments' highlighted. The main content area is titled 'Product Page Settings' and contains two sections: 'Product Attachment Tab' and 'Product Details Section'. Each section has several settings with dropdown menus and text input fields.

- **Enable Product Attachment Tab:** To enable or disable Product Attachments tab on frontend product detail page.
- **Product Attachment Tab Title:** Admin can change default Product Attachments tab title from here for frontend product detail page tab.

## 2.2.2 Product Details Section

The screenshot shows the 'Configuration' interface. At the top, there is a search icon, a notification bell with '2', and a user profile 'admin'. Below this is a 'Scope: Default Config' dropdown and a 'Save Config' button. The left sidebar lists 'PIXLOGIX EXTENSIONS' with sub-items: 'OrderSMS Notification Configuration', 'Phone Number Verification', 'Product Attachments' (highlighted), 'PIXLOGIX FLEXIBLEFORMS', 'GENERAL', 'CATALOG', 'SECURITY', 'CUSTOMERS', 'SALES', 'YOTPO', 'ENGAGEMENT CLOUD', 'SERVICES', and 'ADVANCED'. The main content area is titled 'Product Page Settings' and contains two sections: 'Product Attachment Tab' and 'Product Details Section'. The 'Product Attachment Tab' section has three settings: 'Enable Product Attachment Tab' (set to 'Yes'), 'Product Attachment Tab Title' (set to 'Product Attachments'), and 'Product Attachment Details Section Title' (set to 'Product Attachment Details Section Title'). The 'Product Details Section' section has two settings: 'Enable on Product Details Section' (set to 'Yes') and 'Enable on Product Details Section Title' (set to 'Yes').

- **Enable on Product Details Section:** To enable or disable Product Attachments section underneath of product short description.
- **Enable on Product Details Section Title:** To enable or disable Product Details Section Title underneath of product short description.
- **Product Attachment Details Section Title:** Admin can change Product Details Section Title underneath of product short description.

## 2.2.3 After Product Info Section

The screenshot shows a configuration interface for 'Product Page Settings'. On the left is a sidebar with categories: PIXLOGIX EXTENSIONS (expanded to show OrderSMS Notification Configuration, Phone Number Verification, and Product Attachments), PIXLOGIX FLEXIBLEFORMS, GENERAL, CATALOG, SECURITY, and CUSTOMERS. The main content area is titled 'Product Page Settings' and contains a section for 'After Product Info Section'. This section has three settings: 'Enable After Product Info Section' (Yes), 'Enable After Product Info Section Title' (Yes), and 'After Product Info Section Title' (Product Attachment After Product Infc). Each setting includes a description and a '[store view]' label.

- **Enable After Product Info Section:** To enable or disable Product Attachments section underneath of product tab section.
- **Enable After Product Info Section Title:** To enable or disable Product Attachments Section Title underneath of product tab section.
- **After Product Info Section Title:** Admin can change Product Attachments Section Title underneath of product tab section.

## 2.2.4 Attachment View Settings

The screenshot shows the 'Configuration' interface. At the top, there is a search icon, a notification bell with '2', and a user profile 'admin'. Below this, the 'Scope' is set to 'Default Config' with a help icon. A 'Save Config' button is on the right. The left sidebar contains a menu with 'PIXLOGIX EXTENSIONS' (expanded) and 'PIXLOGIX FLEXIBLEFORMS'. Under 'PIXLOGIX EXTENSIONS', there are 'OrderSMS Notification Configuration', 'Phone Number Verification', and 'Product Attachments' (highlighted). Under 'PIXLOGIX FLEXIBLEFORMS', there are 'GENERAL', 'CATALOG', 'SECURITY', 'CUSTOMERS', 'SALES', 'YOTPO', and 'ENGAGEMENT CLOUD'. The main content area is titled 'Product Page Settings' and contains 'Attachment View Settings'. This section has five settings, each with a dropdown menu set to 'Yes' and a description: 'Display Attachment Icon' (Show/Hide product attachment icon on frontend), 'Display Attachment Size' (Show/Hide product attachment size on frontend), 'Display Attachment Description' (Show/Hide product attachment description on frontend), 'Display Attachment Count' (Show/Hide product attachment count on frontend), and 'Enable Download Limit Info' (Enable/Disable download limit info on frontend).

- **Display Attachment Icon:** To show/hide attachment icon on frontend to identify which type of attachment file or external URL. (I.e. MP3, PDF, YouTube, PNG, Doc, etc...)
- **Display Attachment Size:** To show/hide attachment size on frontend. (I.e. KB, MB, etc...)
- **Display Attachment Description:** To show/hide attachment description on frontend.
- **Display Attachment Count:** To show/hide attachment total download on frontend.
- **Enable Download Limit Info:** To show/hide download limit info on frontend. (I.e. if admin have set download or view limit of specific file that time if that limit crossed then admin can set some message for user via tooltip that why file is not able to download/view.)

The screenshot shows the 'Configuration' interface. At the top, there's a search icon, a notification bell with '2', and a user profile 'admin'. Below this is a 'Scope: Default Config' dropdown and a 'Save Config' button. The main content area is titled 'Product Page Settings' and contains 'Attachment View Settings'. Under 'Attachment View Settings', there is a 'Download Limit Info' field with a tooltip icon and a text input containing 'Download Limit Crossed.'. Below this is a note: 'Enter text for download limit information on frontend.'. There is also an 'Attachment Layout' dropdown menu with options: 'Column View' (selected), 'Box View', and 'List View'.

- **Download Limit Info:** Admin can change Download Limit Info from here. (Note: This info will display by click on tooltip icon if download limit crossed and admin have allow to display this message to frontend user.)
- **Attachment Layout:** Admin can change frontend Product Attachments list in 3 different beautiful views. (I.e. Box View, Column View and List View)
  - **Box View:** User can see box/grid view style on frontend.
  - **Column View:** User can see column/table view style on frontend.
  - **List View:** User can see normal list view style on frontend.

- **ID:** Attachment Id.
- **Title:** Attachment Title.
- **File Type:** File type either uploaded file or external URL.
- **Attachment:** If jpg, png, jpeg or gif file uploaded then admin can see preview image. If any other files uploaded then admin can see file name only. If file not uploaded then admin can see empty column.
- **File URL:** It displays external file URL if file not uploaded.
- **Download Total:** It displays total download/view of specific file on frontend by user.
- **Download Limit:** It displays total limit of specific file or external URL to download or view for frontend user.

- **Customer Group:** It displays assigned customer group(s) who can see or download file on frontend.
- **Store View:** It displays which file or URL is assigned to which store.
- **Status:** Attachment Status.
- **Created:** Attachment Creation time.
- **Modified:** Attachment Update time.
- **Action:** Admin can select specific action by click on “Select” dropdown option.

### 3.1 Attachment Information (Add/Edit Attachment)

The screenshot shows a web interface for managing attachments. At the top, the page title is 'Food Image'. In the top right corner, there is a search icon, a notification bell with a red '3', and a user profile icon labeled 'admin'. Below the title, a navigation bar contains buttons: 'Back', 'Delete Attachment', 'Reset', 'Save and Continue Edit', and 'Save Attachment'. On the left side, there is a sidebar menu under the heading 'ATTACHMENT INFORMATION' with options: 'Attachment Information' (selected), 'Attachment Association', and 'Attachment Products'. The main content area is titled 'Attachment Information' and contains the following fields:

- Attachment Title \***: A text input field containing 'Food Image'. Below it, a note reads: 'You can add "Attachment Title" as a reference. (I.e. File, Image, Video, Audio, Document, User Guide, Youtube, etc...)'
- Description**: A large text area for entering a description.
- File Type \***: A dropdown menu currently set to 'Upload File'.
- Upload File \***: A section with a 'Browse...' button, the text 'No file selected.', and a 'Delete' checkbox. Below this, it says 'Image' and lists supported file formats: 'You can upload file: jpg, jpeg, gif, png, zip, doc, docx, pdf, xls, xlsx, ppt, pptx, mp3, avi, mp4, etc...'
- Download Limit**: A text input field containing '0'. Below it, a note reads: 'Keep empty for no limit to download file on frontend.'
- Icon Type \***: A dropdown menu currently set to 'jpg'.
- Status**: A dropdown menu currently set to 'Enabled'.

- **Attachment Title:** Attachment Title which will display on frontend as file link title.
- **Description:** Attachment description which will display on frontend.
- **File Type:** Admin can change option to Upload File or Enter URL.
- **Upload File:** Admin can upload file.
- **Enter URL:** Admin can enter any external URL.
- **Download Limit:** Admin can set download file limit on frontend.
- **Icon Type:** This option is coming from uploaded icons which can use to display on frontend to identify attachment type.
- **Status:** To enable or disable attachment.

## 3.2 Attachment Association

The screenshot shows the 'Food Image' configuration page. At the top, there is a search icon, a notification bell with '3', and a user profile labeled 'admin'. Below this is a navigation bar with buttons: 'Back', 'Delete Attachment', 'Reset', 'Save and Continue Edit', and 'Save Attachment'. On the left, a sidebar titled 'ATTACHMENT INFORMATION' contains three items: 'Attachment Information', 'Attachment Association' (which is highlighted with a red vertical bar), and 'Attachment Products'. The main content area is titled 'Attachment Association' and contains two dropdown menus. The first is labeled 'Customer Group \*' and has a list of options: 'NOT LOGGED IN', 'General', 'Wholesale', and 'Retailer'. The second is labeled 'Store View \*' and has a list of options: 'All Store Views', 'Main Website', 'Main Website Store', and 'Default Store View'. A question mark icon is visible to the right of the 'Store View' dropdown.

- **Customer Group:** To select and display attachment for specific customer group on frontend.
- **Store View:** To select store specific access on frontend.

### 3.3 Attachment Products

  - **Name:** Admin can filter product by Product Name field.
  - **Sku:** Admin can filter product by Product SKU field.
  - **Price:** Admin can filter product by Product Price field.

## 4 Manage Icons

The screenshot shows the 'Manage Icons' interface. At the top right, there is a search icon, a notification bell with '3', and a user profile 'admin'. Below this is a large empty box with an 'Add New Icon' button. A search bar with the placeholder 'Search by keyword' and a search icon is on the left. To its right are 'Filters', 'Default View', 'Columns', and 'Export' options. Below the search bar, there is an 'Actions' dropdown, '4 records found', a '20 per page' selector, and navigation arrows. The main content is a table with the following data:

ID	Icon	Title	File Type	Status	Created	Modified	Action
4		Video mp4	mp4	Enabled	Feb 18, 2020 5:58:25 AM	Feb 18, 2020 1:51:46 PM	Select
3		Document	pdf	Enabled	Feb 18, 2020 5:57:42 AM	Feb 18, 2020 1:41:01 PM	Select

- **File Type:** Admin can add "File Type" name which admin want to use for this icon. (I.e. jpg, jpeg, gif, png, zip, doc, docx, pdf, xls, xlsx, ppt, pptx, mp3, avi, mp4, etc...)
- **Status:** Icon status.

## 5 Product Attachments Box View (Frontend)

The screenshot displays a product page for a "Red T-Shirt". The page includes a breadcrumb "Home > Red T-Shirt", a product image of a red polo shirt, and a price of "\$10.00". The status is "IN STOCK" with SKU# "Red T-Shirt". A quantity selector is set to "1" and an "Add to Cart" button is present. Below the product image, there is a section titled "Product Attachment Details Section Title" containing two attachments: "Abstract" (MP3, 1.01 MB, 3 downloads) and "Warranty Policy" (PDF, 885.99 KB, 12 downloads). At the bottom, there are three tabs: "Product Attachments", "Details", and "Reviews". The "Product Attachments" tab is active, showing a grid of four attachment details:

- Youtube**: Downloads: 17. Description: Cum sociis natoque penatibus et magnis dis parturient montes, nascetur ridiculus mus. Donec quam felis, ultricies nec, pellentesque eu, pretium quis, sem.
- Food Image**: Downloads: 2. File type: JPG. Size: 1.48 MB.
- Avi Video File**: Downloads: 2. File type: AVI. Size: 4.83 MB. Description: This is my first test avi video file.
- MP3 File**: Downloads: 2. File type: MP3. Size: 746.27 KB.

- **Product Attachment Details Section Title:** Admin can enable Product Attachments grid/box view to “Product Attachment Details Section” which is available underneath of product short description section.
- **Product Attachments Tab:** Admin can enable Product Attachments grid/box view to “Product Attachments” tab.

## 8 License

### What is allowed with single regular license?

- You can use it on one website for yourself or for your client.
- You will need to purchase another regular license for another domain or clients.
- You can setup extension on your staging server for testing/development purposes (that setup shouldn't be available to the public).
- You can customize extension, you can modify it with other works as per your need.
- Extension updates will be available free for single website.

### What is not allowed?

- It is not allowed to create multiple websites with single regular license. You will need to purchase multiple regular licenses for multiple websites.
- It is not allowed to copy our extension code to misuse or for other extension creation or for selling purpose.

## 9 Help & Support

Please read "User Guide" carefully, it will help you to resolve most of potential problems with incorrect configuration of the extension in Magento. If you don't find the answer to your questions, please watch our video from below url.

### [Video - Extension Installation & Form Configuration guideline](#)

Coming soon..! (Under Creation)

### [Magento Support Policy](#)

Magento configuration, installation, maintenance, customization etc. is beyond the scope of our support. We can provide you paid support on extension setup, customization & magento custom requirement. If you found bug within extension, please contact us at below email.
